

Microsoft - all day meeting

BING - Jeff Harlow } Summer '88

Lloyd - started when 40 folks in aSoft; summer work
Stanford '86 Econ degree

~~was~~
program mgr on Mac Excel
started computerized job search co.
went back as Software Dev. Engin

incredulous w/!
doing all the
combative what
- there's need
new sp 4

↳ he heard about GO & wanted proj
Working on NB area

Kathleen

854-2656

- background in Math, some programming
Dartmouth '85

2 yrs Bost. Consult Grp

↳ mktg cases

↳ few computer networking

Summer '88 @ aSoft

- both know little of GO - just got Jeff R's excitement

JR - v. excited about potential of NB
thinks we can pull it off

he sees best outcome as new mkt/platform M
