I have not had any dealings with Sun. If they have a license they  
would automatically be on the list. Lets take them off the HCT.

| Sara

| Can you check this out for me? I assume you know why the person  
| is in the program.

| Thanks

| Janine

||check this one out. don't know why sun needs the hct. it won't run  
||on their sparc machines.  
||

||  
|| Jonathon Feiber in Mtn View is the other SUN site. He is listed  
|| as receiving the HCT.

|| [fine. then our license for apple and sun must specifically  
|| [say it's for use only by those groups. just as the system7  
|| [nda prohibited systems from looking at it.

That's good news. I think people on my team are excited.  
Thanks for your help.
