Subject: Meeting With Culver Friday

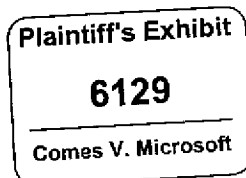

----- Message Contents -----

Hi Bob,

Ricardo Herrera is currently planning to meet with you this Thursday in Utah to get the tour of Streams replication facilities. I understand that you are planning to come to Acer San Jose this Friday (at least I think you are). I spoke to Mike Culver briefly today (between plane flights) and informed him about the "relationship" issues you mentioned as well as the overall status on where we are with respect to getting our current works/money agreement under control. He would like to meet with you and I this Friday (again assuming you can be in San Jose) if possible. I have reserved time on Mike Culver's calendar 10:00 a.m. or Friday at 3:00 p.m. for us to meet. Please confirm if you can make this time.

Best Regards,

Robert Olstad
