Subscribe to Directions on Microsoft!

Directions on Microsoft makes it easy to stay current with what Microsoft is doing and where it's heading. Our monthly service includes:

- Update Newsletter (news & analysis)
- Research Reports (in-depth looks at technologies)
- OrgCharts (names, titles, responsibilities of over 700 top executives)

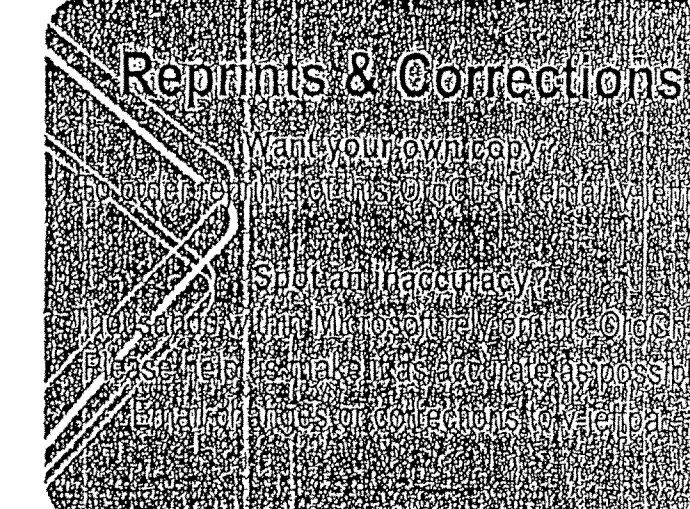

Thousands inside MS rely on Directions to keep abreast of Microsoft's strategic shifts, upcoming products & technologies, alliances, and organizational changes -- and quickly assess the relevance to their job.

Get your own personal subscription TODAY! Simply email vjefipa@mslbrary.com or visit <http://mslbrary.com/news/elecpub/domis/products/index.html>
